FAX 1195L

20 Output
ppm

High speed laser fax for environmentally responsible faxing

Compliant with the International ENERGY STAR Program, Ricoh's new desktop fax machine is designed for energy efficiency and ease of use.

The RICOH FAX 1195L is a contemporary Super G3 laser fax; an affordable investment for home and small offices. Its attractively designed operation panel is simple to use. The enhancements to the internal mechanism allow this model to print at a rapid 20 pages per minute, and deliver good image quality. An all-in-one multifunction device, it can also be used as a black-and-white scanner. Furthermore, the FAX 1195L has an extremely low environmental impact, thanks to a separate drum and toner, low toner and energy consumption, and an energy-saving sleep mode.

Versatile facsimile system for superior workflow and increased efficiency

Printer, copier and scanner functionality, all in one unit

The FAX 1195L features a (TWAIN-compliant) Black-and-White Scanner. It can double up as a printer, copier and scanner, offering the full range of functionality that a business needs.

Fast printing at 20ppm

The FAX 1195L prints up to 43% faster than the previous model, enabling high-volume documents to be output all at once, hence improve work efficiency and productivity.

Uncluttered, easy-to-use operating panel

A comprehensive operating panel that comes with two-line LCD, with up to 200 speed dial, 22 one-touch dial and eight group dial, make it easy to send and broadcast a fax.

Outstanding energy-saving performance

The FAX 1195L is ENERGY STAR compliant and operates at a low 360W, consuming as low as 1.5w in energy saving mode.

RICOH FAX 1195L

MAIN SPECIFICATIONS

GENERAL
