Compact laser projectors that pack power

RICOH PJ WXL5860 and PJ WUL5860 portable laser projectors provide an all-in-one solution to take your presentations to the next level. Ideal for stunning projections in office meeting rooms, classrooms or even as eye-catching digital signage in small spaces, these powerhouses provide an incredible 20,000 hours of maintenance-free performance. They have a conveniently compact footprint, yet still deliver performance you need to see to believe.

- 4,700 / 4,000 lumens brightness
- Exceptional 20,000 hours of maintenance-free performance, thanks to durable laser technology
- Compact and easily portable design supports everyday use
- Quick turn-on feature gives instant image projection
- Flexible installation and easy projection by vertical / horizontal keystone, vertical lens shift, 360-degree projection, four-corner adjustment and portrait mode
- Compatibility with device management systems like Crestron, AMX® Device Discovery, Extron and PJLink via network
